

Junior faculty development opportunity:

The School of Dentistry is creating an “Engaged Learning Faculty Study Group”. This is made possible through a grant from CRLT to Dr. Carol Anne Murdoch- Kinch and Dr. Vidya Ramaswamy. This group will meet **monthly** every **second Wednesday from 12.00 to 1.30 PM at UMSD from June, 2016 to February 2017**. The group will meet to discuss readings on educational theory, pedagogical practices and sound assessment practices. The meetings will be coordinated by Dr. Vidya Ramaswamy and will feature guest speakers from across campus. Lunch and CE credits provided. Please register early! Participation is limited to **10 members** only.
